DOOR TO DOOR SALES

The following are guidelines for persons going door to door to sell a product in Cobb County. A permit is not required to communicate to the resident for religious, charitable or political purposes. These guidelines are not the Code of Ordinances nor should they be substituted for the Code of Ordinances.

1. All individuals going door to door selling products in residential areas in Cobb County must register and obtain the appropriate badge through the Cobb County Business License Division.
2. Each person going door to door in residential areas selling products must possess a picture identification badge issued by the Cobb County Business License Division prior to soliciting in the County. Completion of the door-to-door application and payment of the prescribed fee and issuance of a receipt does not authorize the applicant to operate in Cobb County. Only the issuance of a door-to-door badge by the Business License Division authorizes the individual to go door to door in the unincorporated area of Cobb County.
3. All applicants requiring badges issued by the County shall provide two 1 1/4 x 1 1/4 pictures with the application that will be utilized for identification purposes to ensure the appropriate individual is authorized to go door to door in Cobb County.
4. The badge shall be worn by the individual going door-to-door in a conspicuous place that can be seen by the home occupant. Any other unapproved type of identification cannot be substituted for the Cobb County Door-to-Door Salesperson Badge. All badges will have a picture of the applicant, name of the organization represented, address of the organization, name of the applicant, phone number of the organization.
5. Door-to-door salespersons badges do not authorize the sale of the product in the right of way of any road or highway or in commercial areas.
6. Any alteration, duplication or misrepresentation of the Cobb County door to door badge shall subject the individual and/or company that the individual represents, to penalties as provided by law.
7. The permit is valid for thirty days.
8. No persons may contact citizens door to door before 9:00 a.m. or after 9:00 p.m. No door-to-door salesperson shall contact persons or residents where there residence, neighborhood or subdivision is posted "No Soliciting."
9. Failure to abide by any of the above guidelines and the Cobb County Code of Ordinance will subject the violator to possible criminal prosecution and/or suspension and/or revocation of the door-to-door salesperson permit.
10. A Business License is required in addition to a door-to-door salesperson permit.
11. Payment of \$55 for the permit is due upon issuance in addition to the Business License fee.
